RE: Gating of Canyonback Road

Dear Mr. Freeman:

We are in receipt of your letters of July 23, 2004 and August 4, 2004, wherein you requested this office to review your cited authority regarding the partial closure of Canyonback Road. As you may be aware, the gates located at the intersection of Canyonback Road and Mountaingate Drive have been removed. No further improvements and no further action regarding the gates will be permitted at this time.

It is my understanding that the Canyonback street vacation will not proceed as originally proposed due to the public access issue related thereto. We have also been informed that Council District Office 11 is currently working with the community to find alternative solutions to address this issue.

Thank you for addressing your concerns with this office.

Sincerely,

Christy Numano-Hiura
