

NEIGHBORHOOD WATCH meeting 8/3/02

There was a meeting held on the above date at the pool area. 10 AM

The representative from the Police Department was OFFICER DENNIS HINMAN

The following residents were in attendance:

Judith Raphael
Joan Vieweger
Al Kallis
Egbert Tse
Mr. Lobel
Mr. & Mrs. Arnie Friedman
Pat Bell
Joyce Rudnick

One can see that based on the attendance to this meeting most of the residents on Canyonback are not concerned with crime in our neighborhood. If they were, they would have attended this meeting. There were a total of 6 homes represented at the meeting that are supposedly pro-gate. The last two names are anti-gate.

I think that it boils down to basically two reasons that the gate is wanted: #1 to increase property values: #2 to curtail parking at the north end of Canyonback. Why build an expensive gate when the #2 issue can possibly be handled in other ways?

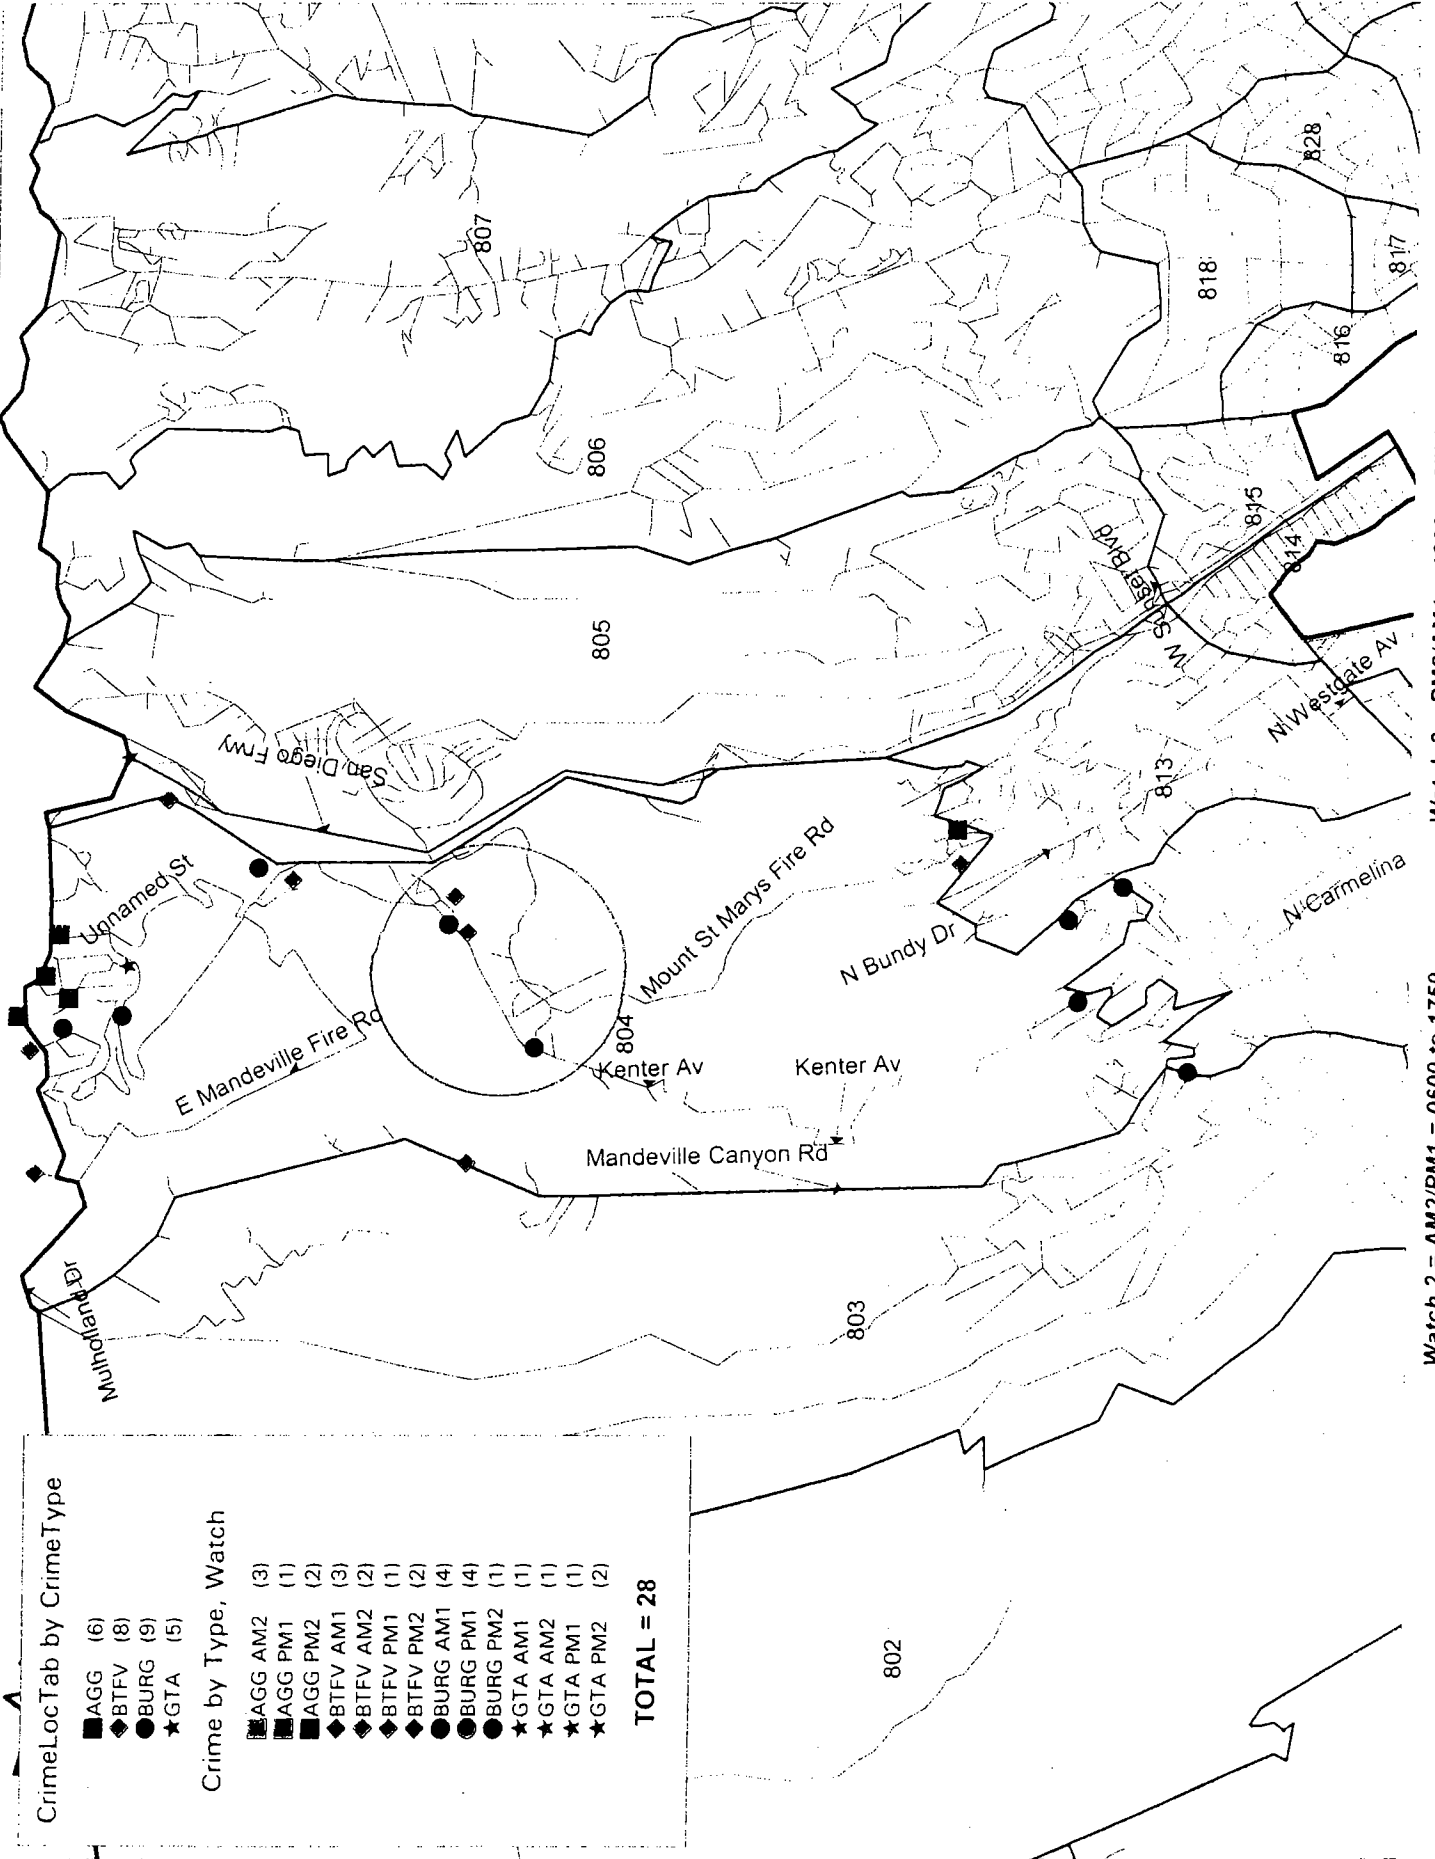

The police officer told the group that Mountaingate is almost void of crime. There were only 4 incidents in the past year of which 2 or 3 are questionable.
